

Our Solutions for Conference Travel:

Above: The luggage room at a conference, where the Bags team begins the process of screening, tagging and securing luggage before delivering it safely to the airport.

Remote Baggage Check-In:

- Checked bags are delivered to airport and checked in
- Attendees gain valuable meeting and exhibit breakdown time on travel days
- Allows for greater options in ground transportation without worry of checked baggage

Bag and Coat Check

- Eliminates the possibility of leaving important, expensive items behind
- Allows attendees to meet with others, hands-free, without the hassle of lugging property around

Bags VIP Luggage Delivery

- Checked bags are picked up at baggage claim and delivered to hotel
- Allows attendees to begin event schedule immediately

Custom Sponsorship

- Custom online portal for sign-up and boarding passes printed with company logo
- Increased visibility for sponsor logos on promotional items for attendees who use Bags

Make Conference Travel Easier:

Convenience,
Productivity & Value

Streamline Arrival with Bags VIP

Airline Luggage Delivery to Your Hotel

When using Bags VIP Luggage Delivery, attendees skip waiting for their luggage at baggage claim when they arrive at the airport. Bags® then picks up and delivers their luggage directly to their hotel. This service allows arriving conference attendees to begin their event schedule immediately, without worrying about carrying bulky luggage. Additionally, ground transportation from the airport does not need to accommodate for checked luggage.

Using Bags VIP Luggage Delivery:

1. Check bags.

2. Enjoy flight.

3. Skip baggage claim.

4. Luggage retrieved by Bags agent.

5. Receive updates on the progress of your delivery.

6. Bags delivered within 100 miles of destination.

If you stacked the bags we process end to end, they would stretch from Atlanta to Chicago.

Custom Sponsorship Options

Tailor Materials to Fit Your Conference

Bags offers an online portal that attendees can use to register ahead of time for arrival and departure services. Each portal is customized with your conference logo and specific details. Bags also has the unique opportunity to provide increased visibility for sponsor logos on items such as boarding passes and luggage tags.

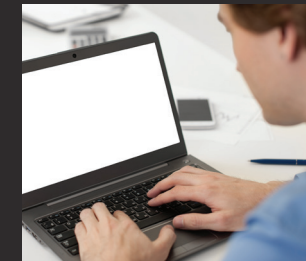

Streamline Departure

with Remote Airline Check-In

Luggage Check-In and Delivery to the Airport

Remote Airline Check-In is one of our most popular services for meeting and conference attendees. Bags® establishes a desk on-site, and attendees drop off their luggage and enjoy the rest of the day luggage-free. Bags runs all luggage through a TSA-approved process and delivers it directly to the attendee's flight. Attendees enjoy the conference and their trip to the airport without carrying luggage.

Using Remote Baggage Check-In:

1. Preregister Online.

2. Receive boarding passes the night before.

3. Drop off luggage at Bags desk.

4. Bags are securely transported to plane.

5. Enjoy day luggage free.

6. Avoid lines at airport.
